INTERNATIONAL CENTRE FOR THE STUDY OF THE PRESERVATION AND THE RESTORATION OF CULTURAL PROPERTY

AG4/4
Annex 1

Proposition for a Resolution interpreting Art. 6, f of the Statutes of the Rome Centre consequent upon Resolution 27.12 of UNESCO, adopted at its 1966 Conference.

Considering that in accordance with the terms of Art. 6, f of the Statutes, the contributions of member states of the International Centre for the Study of the Preservation and the Restoration of Cultural Property are based upon contributions made by member states to UNESCO;

Noting that Resolution 27.12 adopted in 1966 by the General Conference of UNESCO concerning the scale of contributions of its members, provides as is the case for the United Nations, that, in principle, the maximum contribution for any one member state shall not exceed 30% of the total;

Noting moreover, that paragraph 4 of the said resolution 27.12 provides that:

The contributions of a new member shall be further adjusted as necessary to take into account the date upon which it becomes a member, in accordance with the following formula:

- 100% of the annual sum due if it becomes a member prior to the close of the first quarter of the year;
- 80% of the annual sum due if it becomes a member during the second quarter of a year;
- 60% of the annual sum due if it becomes a member during the third quarter of a year;
- 40% of the annual sum due if it becomes a member during the fourth quarter of a year.

Resolves that, inasmuch as Art. 6, f of the Statutes requires financial contributions to be based on those of UNESCO, the above financial dispositions of UNESCO must be considered to be equally applicable to the Rome Centre.
