Please delete on page 17 the following paragraph:

"Mr. Redig de Campos gave full support to Mr. Bazin. Laboratory restorers at the Vatican undergo a course of 2 years, after which they have the title of master of restoration. Responsibility for all restoration work, however, always will remain with conservator art-historians".

and instead please read:

"Mr. Redig de Campos gave full support to Mr. Bazin. He explained that after a trial period of one year restorers at the Vatican enter the laboratory with the title of assistant restorer and continue their career which consists of different stages of promotion, finally reaching the title of chief restorer. Responsibility for all restoration work, however, always will remain with conservator art-historians."
