GENERAL ASSEMBLY

3rd Session

Rome, 5th-9th April 1965

PROJECT OF AMENDMENT TO ART. 57.2 OF THE
RULES OF THE GENERAL ASSEMBLY

Text now in force

"Nominations should be in the hands of the Director of the Centre at least seven days before the opening of the session, together with a short notice concerning their scientific and administrative qualifications. Member States may nominate other candidates up till the first day of the General Assembly."

In order to make that rule clearer and more efficient, the Council proposes the following new text :

"Member States are invited to inform the Director of the Centre of the names of their candidates, accompanied by a short list of their scientific and administrative qualifications as early as possible before the opening of the General Assembly and, at latest, before midnight on the opening day."
